

# LOVE OTHER PEOPLE

**Read: John 13: 31-38**

**Jesus was with His friends the disciples on Earth for three years. He showed them how much He loved them by traveling with them, teaching them about the Lord, and caring for them. When Jesus knew that He would soon be leaving His friends and going to live in Heaven, He wanted them to know something very important. He wanted His disciples to know that they should love other people the way Jesus had loved them. Jesus said that the whole world would know that they were Christians if they would just love each other. Isn't that cool?**

**We are Jesus' disciples now, so we need to do the same thing. When we let people know that we love them, we are showing them that we trust in the Lord. When we help other people and treat them with kindness, they will know that we are followers of Jesus. Everyone we meet will see Jesus in us if we are loving.**

**Life Application:** This is an important thing for you to remember every day. Jesus wants you to love others just the way He loves you. When you do this, you are showing the world that you are a Christian.

**Prayer:** Dear Jesus, Thank you for loving me and making me Your disciple. Help me to show Your love to everyone I meet today, and every day. Amen

**Memory Verse:** Love one another.
